**Re:     *Jonathan Lowenstein v WIP ECOM, LLC, et al.*, Case No. 1:24-cv-07562-JPO  
       **Joint Request to Adjourn March 4 Initial Pretrial Conference****

Dear Judge Oetken,

This firm represents Defendants WIP ECOM, LLC d/b/a Carhartt Work in Progress (WIP), Carhartt Retail LLC, and Carhartt, Inc. (collectively, “Defendants”) in the above-referenced action. Defendants and Plaintiff Jonathan Lowenstein (the “Parties”) jointly request that the Initial Pretrial Conference scheduled for 2:30 pm ET tomorrow, March 4, 2025, be adjourned. The Parties have reached an agreement-in-principle to resolve this action amicably. Accordingly, the Parties propose that the conference either be postponed indefinitely or rescheduled for four weeks from now (e.g., April 1) to ensure that the Parties have sufficient time to prepare settlement documents.

While this request is made less than 48 hours before the scheduled appearance, the Parties have been working together to try to reach an agreement (*see* D.I. 26) and were able to do so earlier today. In view of this recent agreement, the Parties respectfully submit that this request is timely made and that the Initial Pretrial Conference be adjourned to conserve judicial resources. No other deadlines in the above-captioned matter are affected by this request.

The Parties thank the Court for its consideration of this request.
